THE TOP MANUFACTURER IN CHINA FOR
MIRROR CABINET★LED MIRROR★VANITY CABINET

Aosmay®
Since 1999

About GlorySuccess

Founded in 1999, Foshan Shunde GlorySuccess Bathroom Equipment Industrial Co., Ltd is one of the biggest manufacturers in the field of mirror cabinet, led mirror and bathroom vanity in China. We located in Shunde, Foshan, which is the manufacturing center of Chinese sanitary wares. Since founded from a 200 square meters small factory, GlorySuccess covers an area of 25,000 square meters currently with 4 independent workshops. We consistently insist the concept of “quality, innovation and develop”, we believe GlorySuccess grow continually in the future.

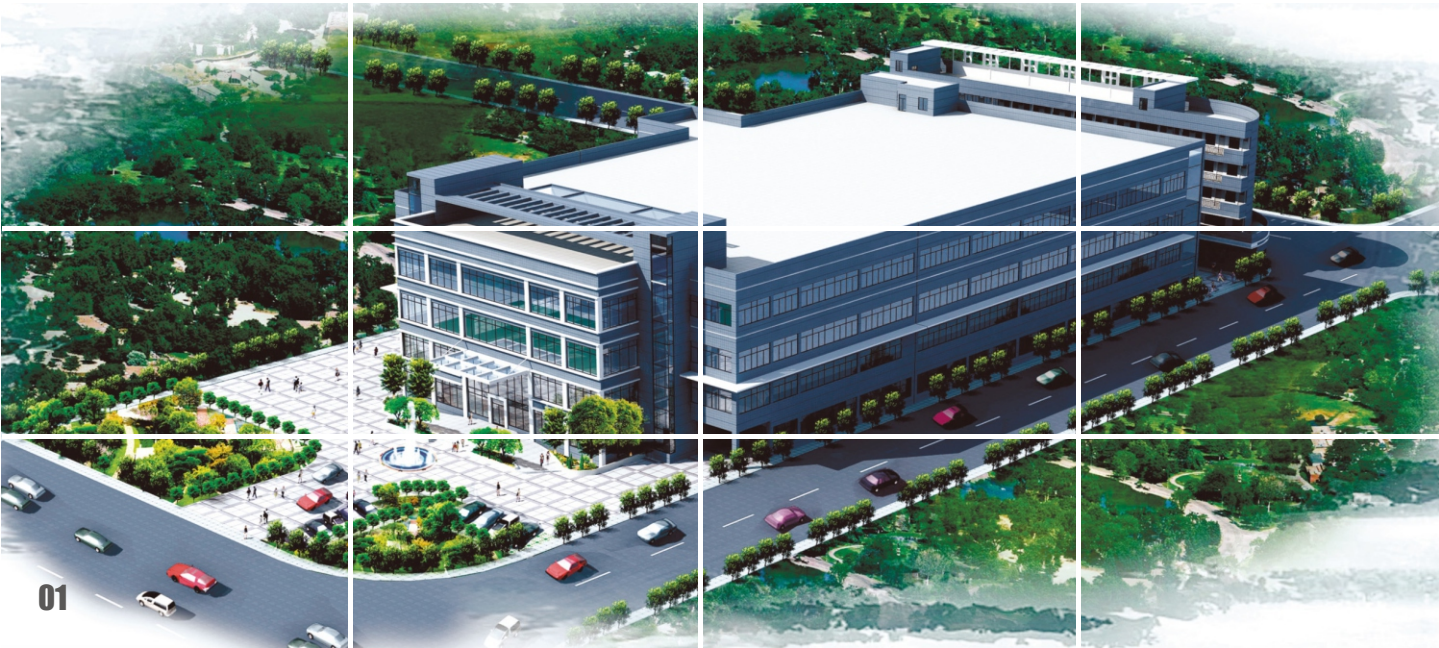

Advantage of GlorySuccess

GlorySuccess insists quality is the lifeline of a manufacturer, 5S management is carried out in our workshop all through. On that basis, it implements the ISO9001:2015 International Quality System Management to make sure enterprise operation is in a good condition. From 2018, we had brought in a series of advanced machine and processing equipment including cutting machines, punching machines, digital bending machines, welding machine digital glass cutting machine, bevel edging processing machine, automatic engraving machine and advanced washing machine for mirrors. With the advanced management and equipment, we can supply quality mirrors and mirror cabinets. Moreover, a range of the products submits to the CE certification every year, which make GlorySuccess gaining lots of chance for international cooperation with foreign customers.

AOSMAY Brand

AOSMAY, a well know brand from GlorySuccess, was born in 1999. Through an extraordinary effort and determinaton, the company overcame many obstacles and has now established itself as the first-choice provider of high quality bathroom products. AOSMAY combines passion and talent to create outstanding collectons. Every AOSMAY design is created from the finest materials, with every element being meeculously designed right down to the smallest detail. And the grace and beauty of each item offers our customer a relaxing retreat, away from the heccc nature of today's fast-paced world.

60 YEARS OF DREAMS,19 YEARS OF DESIGN AND
19 YEARS OF EXPERTISE AND KNOW-HOW

AOSMAY 20 YEARS DEVELOPMENT TRACK

1999 Aosmay's Prototype a tiny workshop established	2002 Turned the workshop to a real factory named DARONG with production line
2003 1.Began to attend the Domestic BUILDEX 2.Develop the Export Business	2004 Started to attend the CANTON FAIR every year
2005 1. Factory was expanded and new named RONGCHENG /GLORYSUCCESS 2. Visited the MADEXPO in Italy	2007 The Electric Mirror&Cabinet pass the test of SGS, FI Certification SGS
2008 1. New manufacturing base(AOSMAY FACTORY) was finished with 3 independent workshops, and the metal mirror cabinet's output went up stably 2. AOSMAY enterprise passed and operated according to ISO9001:2008	2010 1st time AOSMAY took part in the exhibition abroad: India ACETECH
2011 1.2nd time AOSMAY took part in the exhibition abroad: Dubai The Big5 2.3rd time AOSMAY took part in the exhibition abroad: INTERBUILDAFRICA	2012 4th time AOSMAY took part in the exhibition abroad: Dubai The Big5
2013 5th time AOSMAY took part in the exhibition abroad: INTERBUILD AFRICA	2014 The Electric Mirror&Cabinet pass the test of INTERTEK Intertek
2015 AOSMAY enterprise passed and operated according to ISO9001:2015 Pass the test of SAA SAA	2016 Build up a newp rodution line for the Eco-friendly plywood processing with advanced auto machines
2017 Develop & Design the Smart Mirror and Cabinet	2018 1. Passed the test of TUV-CE,EMC,ROHS 2. Achieved astandardized production for the Aluminum Mirror Cabinet and SS Mirror Cabinet RoHS CE TUV Rheinla
2019 AOS MAY are ready for any challenge, will continue to offer high-standard, satisfying bathroom products that perfectly meet the individuality of each and every customer.

CERTIFICATE OF COMPLIANCE	
Certificate Number	20170151E4M454S
Report Reference	E4M454S-20170331
Issue Date	2017-MAY-15
Issued to:	Dongguan GuanDing Electronics Co Ltd Shang Long Shi , Shang Cui Gang village, Hengli Town, Dongguan City, Guangdong 523460 CHINA
This is to certify that representative sample(s) of	COMPONENT - DRIVERS FOR LIGHT-EMITTING-DIODE ARRAYS, MODULES AND CONTROLLERS See Addendum Part Models
Standard(s) for Safety:	UL 8750 LED equipment for lighting products, IEC C22 No. 250, 134, LED equipment for lighting appliances
Additional Information:	See the UL Online Certifications Directory at www.ul.com/database for additional information
Only those products bearing the UL Certification Mark should be considered as being covered by UL's Certification and Follow-Up Service.	
The UL Recognized Component Mark generally consists of the manufacturer's identification and catalog number, model number or other product designation as specified under "Marking" for the particular recognition as established in the applicable UL Standard. As a supplementary means of identifying products that have been produced under the UL Company Recognition Program, UL's Recognized Component Mark may be used in conjunction with the UL Recognized Component Mark. The Recognized Component Mark is required when specified in the UL Directory preceding the recognitions or under "Marking" for the individual recognitions.	
Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for use as components of complete equipment submitted for investigation rather than for direct separate installation in the field. This type of recognition is dependent upon its installation and use in complete equipment submitted to UL LLC.	
Look for the UL Certification Mark on the product.

Type(s)/model(s): HKD218B, HKD218C, SH4E-250, HKD218C-1, HKD218C-2, HKD218C-3, HKD218C-4

The product and any acceptable variation therein is specified in the Annex to this certificate and the documents therein referred to.

The KEMA hereby declares that the above-mentioned product is certified in conformity with the basis of

- a test report to the standard EN 60598-1:2008/EN 61347-2:1998/EN 61347-2-1:2001, EN 62493:2010
- an inspection of the production location according to CENELEC Operational Document ODI 021
- a certification agreement with the number 315438301

KEMA hereby grants the right to use the KEMA-KELUR certification mark.

Compliance with the requirements of this Standard carries a presumption of conformity with the essential safety requirements of the Low Voltage Directive 2006/95/EC.

The KEMA-KELUR certification mark may be applied to the product as specified in this certificate for the duration of the KEMA-KELUR certification agreement.

This certificate is issued on: 12 September 2014 and expires upon withdrawal of one of the above mentioned standards.

Certificate number: 315438301
